
Bridgeport Series II Interact 2 retrofit

Posted by john_f - 2010/02/06 08:42

Here is a link to my recent retrofit on a 1987 Bridgeport Series II Interact 2 mill.

Great work !!!

A very professional looking installation. I'll be upgrading my Interact4 as soon as I'm done with the Hurco (which is dead as a dodo and so a priority) so will be studying the files you've put on your website. Many thanks.

Phil
